

Q. What have you identified as the designated record set for physician billing?

A. For the physician practice we have the following billing information as part of the designated record set:

- Insurance claims
 - Remittance advice from payers
 - Electronic fund deposit receipts
 - Bills to patients
 - Evidence of payment by patients
 - Collection records
 - Referrals to collection agencies or attorneys
 - Reports to consumer credit agencies for unpaid balances
 - All other billing, claim, payment and collection records
